### **What Some People Say About The C.A.R.E. Training:**

I came all the way to America for this course. It was far beyond all my expectations and I recommend it to any person interested in healing. It is a testimony of good fellowship and a practical hands-on training both widely and specifically focused. Great!

~ Holger Grimme, Wallenfels, Bavaria, Germany

The CARE program is an essential and integral part to all the healing arts. This is a new paradigm that will surely be a major movement. ~ Dr. Scott Wruck, Green Bay, Wisconsin

This is the best program of this kind I have attended. I greatly appreciate CARE's commitment to quality & consistency, which provides a greater sense of professionalism. A warm & supportive atmosphere was always present as well. Thank you for your great work. ~ Sandra Parkins, Avada, Colorado
