The CARE program is an essential and integral part to all the healing arts. This is a new paradigm that will surely be a major movement.  
~ Dr. Scott Wruck, Green Bay, Wisconsin

This is the best program of this kind I have attended. I greatly appreciate CARE's commitment to quality & consistency, which provides a greater sense of professionalism. A warm & supportive atmosphere was always present as well. Thank you for your great work.  
~ Sandra Parkins, Avada, Colorado

If you are seriously committed to learning about therapeutic essential oils, this is THE course to take! I've been studying EO's for 3 years and was amazed by the wealth of well-researched information, resources and experience presented by CARE.  
~ Lana Lauder, Alberta, Canada

This was my first experience with CARE. This course has enhanced my awareness of the sacredness of what we do for ourselves and others with the oils whether we are using the raindrop technique, emotional release and in my case as a reflexologist. Thank you Kathy for following the vision to make this knowledge available to us.  
~ Deborah Stethen, Corryton, Tennessee

This is one of the best bodywork classes I've taken in the ten years I've been studying this.  
~ Mary McMichael, Springfield, Nebraska

This was absolutely more than I expected.

The CARE Program is well worth the time and money! It has been all that I expected and much more. I would recommend this seminar to everyone who has a heart to facilitate the healing power of the body.
